

The Jim Matthews Awards recognises and celebrates the achievements that skilled craftpeople using quality building products can accomplish.

ENTRY CRITERIA

- Applications will only be accepted for building work solely carried out by a masonry company that is a member of the Master Brick and Blocklayers and that uses masonry products supplied by Master Brick and Blocklayers Masonry Manufacturer and Importer Members (with the exception of Recycled Brick)
- Building work selected may enter in either the: Residential, Commercial (includes Multi Units) or the Group Home Builder categories
- Applicants must present their application at the Conference in Nelson on Friday 10 September 2021

HOW ENTRIES WILL BE JUDGED

WORKMANSHIP

- General workmanship
- Level of difficulty
- Variety of skills displayed

60%

DESIGN

- Functionality and style
- Fit with surrounding environment
- Marketability
- Your input to the design

15%

ACHIEVEMENTS

- Challenges overcome
- Other achievements / awards

25%

THE OTHER STUFF YOU NEED TO KNOW

- Entries close 5pm Friday 2 July 2021.
- The MB&B Board will select a judging panel and their marking of workmanship, design and achievements is final.
- Entries are considered a joint application between the Master Brick & Blocklayers Trade and Manufacturing and Importing member. A representative from both companies will need to be present at the Master B&B Conference on Friday 10 September 2021 to present their entry for Conference Choice voting.
- The winning projects and applicants are considered the holders of the Master B&B Category 'Jim Matthews Award' for 2021. Applicants should expect that photos of their project will be used in promotional materials by Master Brick & Blocklayers and should ensure that they have permission from the building owner.
