PROJECT OVERVIEW

Please provide the Project name, location, the types of products that were used and a brief description of the project.

UNIQUE FEATURES

Tell us about what makes this build particularly special.

CRAFTSMANSHIP

Please explain any specific areas that reflect the craftsmanship of the build - i.e. bonding techniques, laying patterns.

MEETING EXPECTATIONS

What was the customers expectations with this build and were they met?

CHALLENGES

What challenges were experienced during the build and how were they overcome.

AWARDS/RECOGNITION

Has this build been entered into any other competition or received any other form of recognition (i.e. unpaid mention in industry or mainstream media).

WHY IS THIS A SUPREME AWARD WINNING BUILD?

Why do you believe that this project should win the Master Brick and Blocklayers Jim Matthews Supreme Award.

PLEASE NOTE:

- Applications close at 5pm Friday 2nd July 2021
- We recommend reading the Jim Matthews Application Guide before selecting your project and completing this application.
- Application forms and project photos should be emailed to info@masterbrickandblock.co.nz
- By emailing this application form you acknowledge that you are entering this competition and confirm you accept that the judging decision is final.
- We would recommend sending through a selection of photos (or a link to video footage) that includes close ups and parts of the build you are particularly proud of or have described in your application.
- You are welcome to provide additional information on this project or in response to the questions in this application on a separate sheet. Please ensure this is sent with the application form.
- Part of this competition requires a presentation of the project at the Master Brick and Blocklayers Conference. Representatives from both applicants must be present for this presentation to answer any questions from attendees.
